PRESENTATION

AMU Housing Service

Through its service AMU Housing, your school has set up a platform, edited by Studapart, allowing you to find accommodation more easily. Many offers from private landlords, student residences and real estate agencies around campus, are grouped on the school's housing platform and daily updated:

<https://housing.univ-amu.fr/en/>

Each AMU student can access to offers by connecting with his school email

These login credentials are provided to each student when he joins one of AMU programs.

Students can make booking requests directly on the platform with their online rental application.

Our school cannot be held responsible for posting offers on the accommodation platform.
