

## Marseille Imaging Institute

The Marseille Imaging Institute is organizing an **R&D seminar "IMAGING 2022"** from **26 to 30 September 2022**.

The objective of this seminar is to bring together academic actors and students with partners from the socio-economic world in the field of biological and medical imaging.

During this seminar, sessions will be dedicated to doctoral students from the institute's member laboratories. Each doctoral student will be able to present his research project in a displayed form, and among the applications, some will be selected to present their project during an oral communication to the institutional and industrial partners of the institute.

The best oral presentation will be awarded the "IMAGING 2022" prize.

### Eligibility criteria :

- **Thematic**

To be eligible, the candidate must be enrolled at Aix-Marseille University in PhD and must be attached to a member laboratory of the Marseille Imaging Institute (See list on page 3)

- **On the theme of imagery:**

Presentations in english language should highlight biological and/or medical imaging.

- **Project format**

Following the validation of the scientific committee, the candidate will be selected for a posted or oral communication.

An "IMAGING 2022" prize will be awarded to the best oral presentation.

- Submission of registration forms before July 15, 2022, 11:59 p.m. (Paris time) to the email address: [cecile.lavoute@univ-amu.fr](mailto:cecile.lavoute@univ-amu.fr)
