Welcome to the Aix Marseille Universities libraries

You have access to a wide range of resources, including books, journals, research databases, newspapers, theses and reference materials. Many of our resources are available electronically, which means you can access them whenever and wherever you like.

You also have access to a number of library sites and a wide variety of study spaces, so that you can work collaboratively with others, make use of IT and audiovisual materials, or take advantage of silent study areas for intensive study periods.

Find out all about our resources, services and facilities by exploring this *Getting Started LibGuide*. Just get in touch if you have any questions or need further help : <https://univ-amu.libanswers.com/>
