

CALLS FOR TENDERS 2023 “MASTER”

To promote access for students to Master’s programs, the institute MarMaRa offers Scholarships grants for a period of up to 6 months. The students will work in one of the research team associated to the institute and conduct a scientific project related to the fields of MarMaRa.

Eligibility criteria:

- Applicants should be in the 2nd year of his/her Master.
- Applicants should be working in one of the MarMaRa’s research team.
- To be eligible a significant proportion (at least half) of the team members (students, non-permanent, permanent staff) must have been involved in the institute’s activities¹ during the last academic year 2022-2023. If not, you commit to participate for the next academic year 2023-2024.

Evaluation:

The Scientific committee of MarMaRa will evaluate and select the candidates. The evaluation criteria will be the academic results and the CV.

Documents required:

- Application form (document to download on the [website](#))
- Bachelor and Master’ grades
- CV

Documents must be sent as a single PDF file to Cécile Bernard, the project manager of MarMaRa: cecile.bernard.1@univ-amu.fr

Terms of engagement:

All scientific publications and communications which have benefit of the financial support of MarMaRa must mention the following sentence: "*This work received support from the French government under the France 2030 investment plan, as part of the Initiative d'Excellence d'Aix-Marseille Université - A*MIDEX (AMX-19-IET-007)*"

Publications must be deposited in the A*Midex HAL AMU collection, the University's open archive.

Deadline

The deadline is **13/10/2023**

¹ Annual symposium, seminars, PhD program, WG CIVIS, WG 3M...
