CALL FOR TENDERS
TRAINING – 2024

To promote the training, encourage career progression and help its members to **acquire new skills**, the MarMaRa institute opens a call entitled **"Training Grants"**. These awards are available via competitive application. This can include (but is not limited to): attendance at courses, work shadowing etc. Eligible expenses are **costs of course fees**, **consumables** for training purposes, **travel and accommodation costs** etc.

Eligibility criteria:
- All MarMaRa members are eligible (PhD student, postdoc, engineer, researcher). Applications from young researchers are particularly welcome.
- The candidate must belong to a MarMaRa research team. All awardees will be expected to provide a short report following the completion of their training.
- To be eligible a significant proportion of the team members (students, non-permanent, permanent staff) must have been involved in the institute's activities[1] during the last and current academic year. If not, you commit to participate for the current and next academic year.

Evaluation:
The Scientific committee of MarMaRa will evaluate and select the candidates. The evaluation criteria will be the candidate's profile and the benefits of the training for the applicant and his/her research team.

Documents required:
- Application form (document to download on the website)
- CV

Documents must be sent as a single PDF file to:
Cecile Bernard, project manager of MarMaRa: cecile.bernard.1@univ-amu.fr

Terms of engagement:
All scientific publications and communications which have benefited of the financial support of MarMaRa must mention the following sentence: "*This work received support from the French government under the France 2030 investment plan, as part of the Initiative d'Excellence d'Aix-Marseille Université - A*MIDEX (AMX-19-IET-007) through the Marseille Maladies Rares Institute (MarMaRa).*"

Publications must be deposited in the A*Midex HAL AMU collection, the University's open archive.

Deadline 14/06/2024
