## International Reach

Located in the heart of a dynamic region, the **Faculty of Economics and Management at Aix Marseille Université** stands out as a key local player, while also enjoying strong international recognition.

We offer a rich and diverse range of programmes covering all areas related to economics and management, with **high academic and professional standards**. According to the 2025 Figaro Étudiant ranking, the Faculty is ranked as the 4th best economics and management faculty in France.

International outreach lies at the core of the Faculty's strategy. The quality of its programs and research has earned it a worldwide reputation, driving both its academic and scientific activities.

Join a vibrant and diverse community of students, researchers, and professionals at one of France's leading faculties in economics, management, and public policy.

**At FEG, students benefit from:**

### ► **Innovative Programs**

Cutting-edge courses that blend theory and practice, designed to prepare you for the global job market.

### ► **International Outlook**

Hundreds of partner universities worldwide, international degree tracks, and dynamic exchange programs.

### ► **Research Excellence**

Join groundbreaking research projects with renowned centres like AMSE and LEST, influencing economic and social policies globally.

### ► **Strong Industry Links**

Access internships, networking events, and career support with top companies and institutions.

### ► **Flexible Learning Spaces**

Choose to study on either the Aix or Marseille campus, with courses available in both French and English..  
Unlock your potential. Shape your future. Be part of FEG!

### ► **Global Partnerships**

100+ partner universities in Europe, Africa, the Americas and Asia.

### ► **International Degree Programs**

Bachelor's and Master's programs **taught fully or partly in English**, including several **double degree programs** with international partner universities.

### ► **Mobility Opportunities**

FEG actively participates in the Erasmus+ program and numerous **global exchange partnerships, enabling students to study abroad for a semester or a full academic year**. These opportunities foster international experience, cultural exchange, and academic growth, helping students build global networks and enhance their career prospects.

### ► **Support for International Students**

Comprehensive welcome services including **orientation sessions, personalized mentoring, and cultural integration activities** to help students feel at home. **French language courses** are available to support academic and daily life. Additionally, **housing is provided** on the campus of the student's choice to ensure a comfortable and convenient living environment.

### ► **Research with Global Reach**

FEG supports internationally oriented research through leading labs such as **AMSE** (Aix-Marseille School of Economics), **LEST** (Sociology of Work and Employment), and other research centres. Our teams engage in major **European and international projects** in economics, public policy, development, labour studies, and data science.

# Course Selection

## Academic requirements

### Campus Choice

Students must select one single campus (Aix-en-Provence or Marseille).

Commuting between the two cities is not permitted.

### Programs

You must choose **at least 70% of your courses from a single program. A maximum of two different programs is allowed.** Please refer to the 'Track' column to identify the program for each course.

### Course Prerequisites

Most courses have specific prerequisites.

The following academic background is required:

#### For 3rd year Bachelor's courses:

- Minimum 2 years of studies in Economics or Management.

#### For 1st & 2nd year Master's courses:

- Minimum 3 years of studies in Economics or Management.

### Language requirements:

All students enrolled in an exchange program must have a minimum level of B2 in the language of instruction.

- English level B2 (IELTS 5.5 – 6.5, TOEFL iBT 72 – 94, TOEIC 785 – 940)

### Exams & Transcripts

- No second-chance exams for Master's students. Bachelor's: second session in June.

- Transcripts are sent by email once all grades are in: by March (Fall) / July (spring).

### Courses with (\*) have limited spots.

**Courses with (\*\*)** are available only for Full year exchange students (exams in March).

## FEG

## Campuses

### The Faculty of Economics and Management (FEG)

at Aix Marseille Université offers a wide range of programs in economics, management, finance, and related disciplines across several campuses in the region. Each campus has its own academic strengths and areas of specialization:

#### ➤ Aix-en-Provence Eco-Campus - La Pauliane

The campus in Aix offers a wide range of Bachelor's and Master's programs in economics and management. It hosts the **International Program in Economics and Management (IPEM)** is a 3-year Bachelor's degree in Economics and Management, taught entirely in English, with a compulsory semester of mobility in the third year, in one of the FEG's foreign partner universities.

#### ➤ Marseille – Ilot du Bois

This campus is home to the **Aix-Marseille School of Economics (AMSE)**, a leading research and teaching institution in economics. AMSE offers top-level programs at the Master's and PhD levels, focusing on **economic theory, quantitative methods, data science, and applied economics, with a strong international orientation.**

#### ➤ Marseille – Colbert Campus

Located in the city centre of Marseille, this campus focuses on economics, management, public policy, and international trade.

Some courses are duplicated on both Aix-en-Provence and Marseille campuses (indicated in the campus column as "Aix-en-Provence or Marseille"). This means you can choose to attend classes in either city, with identical course content.

## Good to know

**L1, L2, L3:** 1st, 2nd, and 3rd year of the Bachelor's degree

**M1, M2:** 1st and 2nd year of the Master's degree

**S1:** Fall semester

**S2:** Spring semester

**Magistère:** A selective, multidisciplinary French university program of excellence, equivalent to an enhanced Bachelor's and Master's curriculum

**ECTS (European Credit Transfer System):** Credits used across the European Union that facilitate international recognition of academic achievements and validation of your study path.

**1 full semester in EU= 30 ECTS**
